

Spotlight On Your Innovation

SHOWCASE YOUR RESEARCH

VAAM offers various platforms for you to showcase your research, products, and company. Our regular **Industry-Academia-Panel (IAP)** and the **Annual Conference** with 1000+ participants provide a unique opportunity for you to present your company and research to a broad audience of microbiologists based in academia and industry.

The Microbiology Network

A WEALTH OF OPPORTUNITIES

Become a part of VAAM and of our vast **academic network** and benefit from cutting-edge ideas, valuable connections, and opportunities for fruitful collaborations. Join one of **18 specialist groups** spanning diverse microbiological topics, including industry-relevant areas like Synthetic Microbiology or Quality Management. Stay informed on latest research and shape the direction of these fields.

Highlights

VAAM ANNUAL CONFERENCE

The international VAAM conference with 1000+ participants brings together microbiologists from all areas of expertise.

VAAM INDUSTRY-ACADEMIA PANEL

Showcase your research and company in our regular Industry-Academia-Panel (IAP) online and at the Annual Conference.

VAAM INNOVATION AWARD

The VAAM Innovation Award honours young scientists in industrial companies, recognising game changing microbiological research in the industry.

VAAM MENTORING

A unique opportunity to share your expertise, and connect with talented PhD students or postdoctoral researchers to build valuable professional relationships.

**For
Microbiologists
in
Industry**

Your Benefits

As a recognised organisation in the microbiology community, VAAM offers a gateway for industrial microbiologists to share and learn about the latest research findings, fostering the exchange between scientists in a wide spectrum of microbiological disciplines.

Join the network with industry and academic researchers and establish connections that may lead to new collaborations and innovative projects.

Your active participation in VAAM enhances the visibility of both your individual research efforts and your company's scientific profile, increasing your impact within the community and beyond.

SUPPORTING AWARD PROGRAMS MAY ENHANCE YOUR COMPANY'S VISIBILITY AND DEDICATION

Your company has the opportunity to sponsor or donate prestigious PhD and Innovation Awards. It will be highlighted during the conference and in social media campaigns as a distinguished supporter.

Join the VAAM and Connect with a vast Network of Applied and Academic Microbiologists !
